

# Grow your gardening skills

Your garden can always be at least a little bit better, whether you grow edibles or ornamentals or both. It doesn't matter what your skill level is, or how much space you have available, you might just need a little help from the Orange County Great Park and UCCE Master Gardeners.

This workshop series cover interesting, timely topics including building raised bed gardens and planting edibles to attracting wildlife and adding beauty to the garden with roses. Classes will focus on how to help you with your gardening goals!

## Sign up today

Attend one class or the whole series! It's free and open to all Laguna Woods residents.

Sign up at [www.babyboomersclub.org](http://www.babyboomersclub.org) and click on Our Zoom Events tab to register at least one day before the class or call 949-415-8030.
